Duties and Responsibilities:

- Work directly with our Art Dept to help turn ideas and low resolution digital mockups into high resolution images
- Prepare digital files for print by performing color corrections, touch up and resolution-enhancing effects
- Maintain and operate printers to produce fine art prints; archival pigment, latex and UV/flatbed
- Prepare fine art prints for display, including QC, trimming and packaging
- Take on a variety of tasks to help us all succeed!

Qualifications and Requirements:

- EXPERT in Adobe Photoshop: image compositing, color correction and digital retouching
- Education in graphic design or related field
- 2+ years working experience in a digital print shop or other related professional work environment
- Able to work quickly and accurately in a production environment
- Able to work independently and under direction as part of a larger team
- Great eye for detail, color and composition
- Able to work 40 hours per week with some overtime
- Physically able to be on your feet for long periods of time and lift heavy objects when required
- Interest in developing and maintaining a high skill level in their craft
- Experience with Onyx RIP, large format roll printers, and UV/flatbed printers a plus!

Additional Information:

- Hours of operation: Monday-Friday, 8am-6pm
- Full-time, 40 hours per week w/ occasional overtime as needed
- Vacation, holidays, 401k, health, vision, dental coverage
 - Compensation based on experience; \$24-28 per hour

For consideration, please email your resume with a cover letter and include "PRINT" in the subject line to **employment@locallanguageart.com**. NO PHONE CALLS PLEASE. We will be screening emails and replying to qualified candidates that seem like a good fit!

Local Language is a group of seasoned and creative professionals that specialize in art, design and fabrication for commercial spaces. We work with independent artists, skilled craftsman and specialized factories to create

innovative artworks and other decorative products such as wall sculptures, mirrors, printed wallcoverings, sculptural wall panels and decorative screens.

Working directly with interior design and architecture firms, as well as all the major hotel brands, we've completed work for properties such as the Four Seasons Austin, Marriott Wailea Resort and the Hyatt Regency San Francisco.

We have a growing print and fabrication studio in Uptown Oakland where we prototype and manufacture editions of custom artworks, sculptural objects and architectural elements. We continue to adopt the latest and greatest in printing, prototyping and fabrication equipment to work on these unique designs. This is an exciting time of growth and we are looking for like-minded, enthusiastic professionals to continue to develop our studio!
